However, a couple of seasons ago, the gun received a big nerf and was pushed into oblivion for the most. However, this season, the gun made a return as the developers finally decided to give the gun the much needed buff. The three-shout assault rifle will surely make your game easier! 6. DR-H The DR-H is the only one of the other two two Ars (Three-Sheighs ARS (Man-O-War, ASM10), which has never been really nerphate than bad. It was a companion Coherent for many. However, it was put under ASM10 because of its usability in Call of Duty Mobile. If you are someone who is very accurate in hitting the shots of the upper body, the DR-H is for you. However, if not, it can be disappointed in certain situations. READ ALSO: How to change the name in BGM: Detailed guide 7. QXR Although the QXR received a large NERF, the gun still hangs in its range, ie half a closet of the Ranges. However, the gun may not really make it with a list of the first 5 guns, but surely at a list of the first 10 guns. The gun still has a very decent time to kill and is better than most smg in Call of Duty Mobile. 8. PP19 Bizon Now, the PP19 Bizon was very overwhelmed the last season. Although the time to kill On the gun it is not so large, the capacity of spam projectiles like a LMG and an incredible mobilization made the gun very overwhelmed. However, Call of Duty Mobile has decided that it was time for the PP19 Bizon. That's why, the gun even if nerfed, is now in the seventh position.
