Hansel and gretel black forest

Movies Swap breadcrumbs for Skittles and gingerbread for marijuana, and you begin to get a feel for "Black Forest: Hansel and Gretel & the 420 Witch," a weed-laced horror comedy in which a witch (Lara Flynn Boyle) tempts teens into her home with pot, then eats them. Next Movie headed to Stage 4 of Sunset Gower Studios to talk to the cast and get an exclusive first look at the first of three Hansel & Gretel films coming out in the next year. "Black Forest" will be released April 20, naturally. "All we're saying in this film," Molly C. Quinn (who plays Gretel) says, "is that if you smoke pot you run a higher risk of getting eaten by a witch." While Germany's famous beer halls are sure to give you a merry good time, the country is also equally famous for fairy tales that give the little ones a good night's sleep. Stories like Little Red Riding Hood, Sleeping Beauty, Rapunzel and Hansel and Gretel have enthralled all for generations, and the places that inspired these beloved tales are no less magical themselves. There's simply so much fairytale magic and lore to be had, and any visitor can follow in the footsteps of these stories on the Deutsche Märchenstrasse, or German Fairy Tale Route. At 600 kilometres long and passing through 50 towns and cities, embarking on this immersive journey will take you into charming old towns with medieval flair, imposing castles and ancient woods. Fans of the Brothers Grimm, take note: the route includes a stop at the brother's former residence, as well as a museum dedicated to all things Grimm. Germany reads like a timeless collection of fairy tales, and here are 5 places so enchanting, you'll be sure to find yourself lost in the magic! 1. Black Forest The fabled setting of the Grimm Brothers' tale of "Hansel and Gretel" may sound grim, but the Black Forest is best known for being supposedly impenetrable, rich with world-class thermal spas — and the birthplace of the cuckoo clock. The numerous pine trees that make up the Black Forest are apparently packed so densely that sunlight barely reaches the forest floor, creating a bewitching setting fit for an evil witch's hideout. Not all of the Black Forest is dense wood, rivers and hills however — the picturesque spa town of Baden-Baden draws pleasure-seekers to its impressive spas and "bathing temple", and the German Clock Museum, situated in the city of Furtwangen, boasts a 160-year-old collection that features a ridiculous 8,000 timepieces of all shapes and sizes, from all around the world. 2. Rothenburg Ob der Tauber Celebrated as "Germany's best-preserved walled town" and "the jewel in Germany's crown" by those who have been mesmerized by its otherworldly beauty, Rothenburg Ob der Tauber is essentially medieval Germany perfectly frozen in time. History literally comes alive at Rothenburg Ob der Tauber, as night-watchmen make their rounds with curious tourists willing to spend a night and well-curated museums documenting life and death in medieval times. Image credit: MarinaDa / Shutterstock.com Rothenburg Ob der Tauber not only enchants with its fairytale feel, but has also inspired fairy tales too. The place is apparently the inspirational spark behind the imaginary town in Walt Disney's take on "Pinocchio", and there's even a "fairytale tour" specially for the young ones here. 3. Hamelin Made famous by the enduring tale of the Pied Piper, Hamelin today honours this fairy tale with an array of rat-themed dishes and drinks — visitors can munch on freshly baked rat-shaped pastries, dig in to rat-themed roasted delicacies and wash it all down with a glass of "rat's blood", a champagne-blackcurrant juice mix. A Pied Piper melody also plays at the Wedding House at 9.35 a.m. and at the Weserriedl 11.35 a.m. everyday, and there's even a Pied Piper play every Sunday from the middle of May to September! Image credit: Marc Venema / Shutterstock.com Rats and the Pied Piper aside, Hamelin's well-preserved wesser-renaissance architecture continues to mesmerise visitors from all over the world. The town is often praised as an overflowing treasure trove of architectural marvels, and the pleasantness of the surrounding countryside also invites visitors on hiking or cycling trips. 4. Bremen Image credit: kavalemkava / Shutterstock.com Just a stone's throw away from Hamelin is the equally impressive city of Bremen. If Hamelin is the standard-bearer for one form of architecture, Bremen is the equivalent of a timeless tapestry of many styles — the Bremen Cathedral sports Gothic, Romantic and Gothic Revival motifs and facades on its' twin 89-metre high towers, and the world-famous Bremen City Hall, which earned its UNESCO World Heritage status in 2005, will leave you truly awestruck by the sheer talent of medieval stonemasons. [Find the best hotel deals in Bremen, Germany] Bremen's claim to fairytale fame is the city's role as the setting of the Grimm fairytale, the Bremen Town Musicians. Visitors unacquainted with the story will be left puzzled by odd statues of animals perched atop one another throughout the city, so be sure to give the tale a brief read before your visit. Still, with all the mesmerising facades and the feel of timeless beauty, Bremen itself feels completely out of a fantasy realm. [Cheap Flights to Berlin] 5. Neuschwanstein Castle One of the most visited castles in Germany, Neuschwanstein Castle needs no introduction. Built by the "fairytale king", King Ludwig II of Bavaria, the fairytale castle evokes fantasy and lore in grand proportion. Motifs, facades and paintings found throughout the castle run deep with themes found in many fairy tales, and much also depict knights, kings and other medieval legends. With its unique white limestone facade and blue turrets, it is easy to notice where Neuschwanstein Castle has inspired a fairytale or two. The castles in Walt Disney's Cinderella and Sleeping Beauty both bear a striking resemblance to Neuschwanstein, particularly so in Sleeping Beauty's case — Walt Disney himself apparently stopped by Neuschwanstein on a trip across Europe, and was thoroughly persuaded by the castle's magnificence. And there's a lot more fairytale magic to be discovered in Germany! Beyond the enchantment of magnificent castles, ancient forests and old walled towns lies lore and legend in plain sight, so why not stay a little longer and take a trip down the German Fairy Tale Route? Who knows, you might just end up with a fairytale of your own. Cuckoo Clock Black forest house with music,Hansel and Gretel Cuckoo calls on the hour with echo. The clock has a battery operated movement with automatic night-off. The running-time of the batteries is about one year. The size refers only to the clock, without pendulum and weights. 2 years product warranty. The clock is made of wood. Dial and Hands are made of wood. The clock plays 12 tunes. White Glove Delivery Service may be unavailable in your area. Shipping Options: FREE STANDARD SHIPPING (10-15 business days*) - Upon placement of the order, the product should ship out within 5 business days. Delivery will take place approximately 10 to 15 business days after the order has been received. Some products require a signature and some do not, it will depend on the price of the product. If the delivery driver does not feel comfortable leaving the package outside the home, they will keep it at a pickup location and leave you a note or attempt re-delivery at a later date. EXPEDITED SHIPPING (5-10 business days*) - Upon Placement of the order the product will be scheduled to ship out as soon as possible (1-5 business days). We will then ship the item via UPS 3 Day Priority with the aim for it to arrive before 10 business days since the order was placed. FLOOR CLOCKS AND DISPLAY/CURIO CABINETS ONLY: FREE THRESHOLD DELIVERY (10-15 business days*) - Available for floor clocks and curio/display cabinets. This method entails delivery to the front door of the delivery address but no further. A delivery appointment and signature will still be required. FREE WHITE GLOVE DELIVERY SERVICE (10-15 business days*) All Floor Clocks and Display Cabinets can ship with this service at no added cost! By selecting this service, the delivery persons carry the heavy product into your home and directly to the room of your choice where you would like the product to be set. They will then completely unpack the clock or cabinet and dispose of any unwanted packaging or debris. All the heavy lifting is done for you at no extra cost! If White Glove Delivery is unavailable in your area due to COVID19 and you chose that option at checkout we will notify you before moving forward with the delivery and downgrade your order to Threshold Delivery. To learn more about this service click here! If you require express shipping please email us at Info@grandfatherstimeclocks.com Order Shipment: All products are shipped directly from the manufacturer. As a result, shipment times may vary. If your order is in stock and we process the charges to your payment method, it will ship within five business days from the date of your order. We will send you a shipping notification within 24 hours of your order leaving the warehouse to the e-mail address you provided when checking out. If you do not receive shipping information from us within six business days of your order, please follow up with us at Info@Grandfatherstimeclocks.com or send us a message using the blue button below. Order Tracking Your tracking information is emailed to you when your order ships. Orders are tracked using a tracking number and the website on the delivery carrier. If you have a registered grandfatherstimeclocks.com account, you can always login and see the status of the order. If you have any questions, or if your delivery seems behind schedule, our friendly Customer Service Experts are always there to help. Damages: Please inspect the packaging of your item(s) when they arrive, if you notice any damage you should make a note of it on the document when signing for delivery and then refuse the delivery. If your item(s) do arrive damaged, please send photos to Info@Grandfatherstimeclocks.com, and we will process a return/refund on your behalf. If we are notified of damages more than 2 days after delivery, returns and exchanges/refunds may be unavailable. Returns/Refunds: Cancellation Of An Order Once the order is placed with us, we will submit an order directly to the manufacturer on your behalf. This occurs immediately after an order is placed by a customer (7 days a week). Once this step has been completed, www.grandfatherstimeclocks.com and the customer become financially obligated to purchase the ordered merchandise from the manufacturer. All order cancellations are subject to a 10% cancellation fee. No exceptions. If your order has shipped it cannot be canceled. To cancel an order, please email our helpful customer service experts at Info@grandfatherstimeclocks.com. Refunds will be credited to the original payment method and can take up to 72 hours to reflect on your credit card statement. For items where the product arrives in good condition but you would prefer to exchange it for another product, you will be responsible for the return shipping back to the manufacturer, the shipping costs of the new product, and a 10% restocking fee on the original product. For orders where the product arrives in good condition but you would prefer to return it and get a refund, you will be responsible for return shipping and a 10% restocking fee. Exchanges are unavailable for Floor Clocks and Curio Cabinets unless the original arrives damaged. If any product arrives damaged and you originally prefer a replacement, once pickup for the replacement has been scheduled, www.grandfatherstimeclocks.com and the customer become financially obligated to purchase the ordered merchandise from the manufacturer. As such cancellation cannot be completed at this point. If any product arrives damaged and you originally prefer a replacement, once shipment pickup for the replacement has been scheduled, www.grandfatherstimeclocks.com and the customer become financially obligated to purchase the ordered merchandise from the manufacturer. As such, the cancellation cannot be completed at this point. But items other than floor clocks and curio cabinets can be returned under our standard policy where the customer must pay for the return shipping and a 10% restocking fee. Express shipping costs are non-refundable. Free gift bundles are non-refundable. If you received a nameplate and heirloom record document a \$40 fee will be deducted from your refund. Exchanges (if applicable)We reserve the right to only replace items if they are defective or damaged. If you would like to exchange it for the same item, send us an email to check your item's eligibility for exchange at Info@grandfatherstimeclocks.com. Return Shipping Unless originally damaged due to delivery, you will be responsible for setting up and paying for your own shipping costs for returning your item. Shipping costs are non-refundable if you request a full refund. Depending on where you live, the time it may take for your exchanged product to reach you, may vary. If you are shipping an item over \$75, you should consider using a trackable shipping service or purchasing shipping insurance. We don't guarantee that we will receive your returned item or that it will be in the same condition you received it. Refunds (if applicable)Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. We will also notify you of the approval or rejection of your refund.If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment within 1-5 business days.Late or missing refunds (if applicable)If you haven't received a refund yet, first check your bank account again.Then contact your credit card company, it may take some time before your refund is officially posted.Next contact your bank. There is often some processing time before a refund is posted.If you've done all of this and you still have not received your refund yet, please contact us at Info@grandfatherstimeclocks.com. Payment Methods We accept several methods of payment as listed below. No matter what method you choose, we guarantee that every transaction you make on our site will be 100% secure. All prices are listed in U.S. dollars. Credit Cards - We currently accept Visa, MasterCard, American Express, and Discover cards. You can safely enter your entire credit card number via our secure server, which encrypts all submitted information. Alternative Methods - We accept payment via PayPal, Google Pay, Apple Pay, and Shopify Pay. All payment information is secure due to our server encryption, which will safeguard all submitted information. Sales Tax Items sold and shipped to destinations in the United States are tax-free! Items sold in Canada will be charged the required state/federal tax rates. Items sold outside of North America will not be charged taxes. Receipts We ship the majority of our products directly from the manufacturer to your doorstep. This saves us warehousing costs; savings which we can pass onto you! However, this means that your product will typically arrive without an invoice or packaging receipt. Thus, the order confirmation you receive from us via email serves as your official receipt. You will see the order number along the top. If you have lost your receipt or it never arrived, simply contact our customer service team and we will be happy to send you another one. Back-Ordered Items Occasionally due to popularity of an item, a product is placed on back-order until additional inventory is received. This happens very rarely, and when it does, you will be notified immediately by one of our Customer Service Experts. Product Photos Please note that all images of products displayed on this website may differ in color due to differences in the resolution of computer monitors and we cannot guarantee that the finish will be exactly as pictured. We always work with our partnering clock manufacturers to obtain the highest quality photographs of the products and thus depict the merchandise as closely as possible.
