The book covered the Best-Sellers list of New York for more than four years. [3] In 2006, Técnas with Morrie was the best-selling mission of all time. [3] A not marked audiobook was also published, narrated by Albom. The audiobook's apartment contains several minutes minutes in 2007. Synopsis in 1995, Albom is a successful sporting columnist for Detroit Free Press. After seeing your former Sociology teacher Morrie Schwartz appears in NightLine, Albom to visit it in Massachusetts. A coincident newspaper strike allows Albom to visit Schwartz every week, test-fairs. The book reports each of the fourteen Albom visits made to Schwartz, complemented with Schwartz's lectures and life experiences and interspersed with flashbacks and references to contemporary events. After being diagnosed with amyotrophic lateral sclerosis (ALS), the final days of Morrie are spent giving your old student maintained your last life lesson. The romance is divided into 14 different "days" that Mitch Albom passed with his teacher Morrie. Throughout these days, Mitch and Morrie discuss important various topics for life and life. The novel also tells Mitch's souvenirs of Mitch as a teacher. [4] The first audiovisual this was the first three episode in a special night in Morrie and his disease. Morrie called the attention of a nocturnal television producer after an article was published: "Final course of a teacher: his own death." It was through this airing that the old student of Morrie was reminded of his old teacher, causing him to be out and reconnected. Main Characters Mitch Albom Main article: Originally, he was a pianist and wanted to pursue a life as a music. Instead, he became an author, journalist, writer and television / broadcasting. In his college years, he met the teacher of Sociology Dr. Morrie Schwartz, who would later influence his memories, Tembers with Morrie. Morrie Schwartz Main article: Morrie Schwartz Morrie Schwartz Morrie Schwartz, who would later influence his memories, Tembers with Morrie. Morrie Schwartz Main article: Morrie Schwartz Morrie Schwartz Morrie Schwartz, who would later influence his memories, Tembers with Morrie. was a professor of Sociology at the University of Brandeis that was diagnosed with amytrophic side sclerosis (ALS), also known as the disease of Lou Gehrig. Morrie was not aimed at difficulties, including the death of his mother and the infection of his brother with the vary of polio. Morrie then went to work as a researcher in a psychiatric hospital, where she learned about mental disease and how to have empathy and compasses for other people. Later in life, Morrie decided to be a Sociology teacher for her teachings to influence the greatest number as possible. It is here that he met his student and friend of friend of friend Mitch. Morrie was married to Charlotte Schwartz and together had two children. After a long battle with ALS, Morrie died on November 4, 1995. His lift "a teacher at the end." Adaptations The book was adapted into a 1999 television film, directed by Mick Jackson and starring Hank Azaria and Jack Lemmon. [2] In 2002, the book was adapted as a stage game that opened Broadway at the Minetta Lane Theater. Co-authorized by Mitch Albom and Jeffrey Hatcher (three visualizations) and directed by David Esbjornson (the goat or Is Sylvia?). Tills with Morrie starred in Alvin Epstein as Schwartz and Jon Tenney as Albom. Received positive evaluations.
