Great short story writers

Warning: Can only detect less than 5000 charactersYou have never read or take a look at a blog on a topic you've never explored. The inspiration can come from the most surprising places. Related: 5 tips to create a successful content marketing campaign Read non-commercial books, such as biographies and memories - those are full of stories that few people have heard. Or try a novel. Here is a story I often tell: years ago, Ricky Gervais and Stephen Merchant had a crazy idea for a new comedy in the workplace. It would be Warning: Can only detect less than 5000 charactersThere are several resources: Story, Robert McKee, is a sort of bible for screenwriters, but millions of people outside the industry relied on his lessons to create and tell better stories. Malcolm Gladwell Wona T explain how to achieve a story, but he will show you, which is an important way to learn, of course. Pick up none of the books of him and observe how to turn complex riveting arguments, stories to a human scale. Storytelling and presentation expert Nancy Duarte has a KO Ted Talk on the This will give you much more than your 18 minutes of time invested. I also wrote something or two on the topic you may find useful. It is true that few things beat a well-known story. At the same time, few things are worse than a story that has consumed its welcome. Pay to be original.
