Book details: Oxford & IBH Publisher: Oxford & IBH Publisher ISBN: 9788120408234 Size: 53.38 MB Format: PDF, Mobi Category: Science Languages: en Pages: 313 View: 3026 Get Book Book Description A dictionary of words meaning · In this respect this is not a dictionary, but much more. The meaning can be found, and is often known, but what often escapes the reader is the knowledge of words that can be used instead of a particular word. In the English language there are several words that can, and do, transmit the same or similar meaning, synonyms, as these words are called. The discerning person would like to use the correct word and this compact and simple dictionary leads to the reader, a vast collection of words most commonly and currently used. Everywhere available, an antonym, I.E. is provided The opposite meaning is also given.
