

## **Examiner report sbr june 2019**

click here Làm fan Sao chép link Lấy mã nhúng Hiện mã QR Paper FFA/F3 Financial Accounting main purpose is to develop your knowledge and understanding of the basic principles, concepts and regulations relating to financial accounting. You will require to demonstrate the technical skill-ability in the use of double entry techniques, which includes the preparation of the financial statements for the incorporated and unincorporated business entities, as well as simple consolidated financial statement for single and group incorporated business entities. You should also need to be able to conduct a basic interpretation of financial statements. If you have planned to progress through the ACCA gualification, the skills and basics you learn at F3 Financial Accounting, will be built on in Papers F7 and the professional exam module SBR.Paper FFA/F3 Financial Accounting. The computer-based examination, especially this F3 Financial Accounting contains 35 objective test questions. You May be thinking of, what is Multi-task questions! Well, Multi-task questions are a series of short questions that will be relating to one scenario. These short questions can be consisting of number of formats, e.g. number entry, drop down lists, multiple choice and multiple response. Paper FFA/F3 Financial Accounting purpose is to develop your knowledge and understanding of the basic principles, concepts and regulations relating to financial accounting. You will require to demonstrate the technical skillability in the use of double entry techniques, which includes the preparation of the financial statements for the incorporated business entities. You should also need to be able to conduct a basic interpretation of financial statements. If you have planned to progress through the ACCA qualification, the skills and basics you learn at F3 Financial Accounting, will be built on in Papers F7 and the professional exam module SBR. You can take this exam as a computer-based exam. All questions in the exam will be compulsory. This means you cannot avoid and skip any topic, but also means that you do not have to waste time in the exam deciding which questions to attempt. There are 35 MCQ's in the Computer-based exam and a mixture of MCQs and other types of objective test question (i.e. multiple response, number entry and multiple response, number entry and multiple response. sitting, so you need to revise right across the syllabus for F3 Financial Accounting exam. This Practice and Revision kit provided to you has been reviewed by the FFA/F3 Financial Accounting exam. This Practice and Revision kit provided to you has been reviewed by the FFA/F3 Financial Accounting exam. This Practice and Revision kit provided to you has been reviewed by the FFA/F3 Financial Accounting exam. This exam. It is very much important to tackle the questions under the exam conditions. Allow yourself just a number of minutes shown next to the questions in the index and do not look at the answers until you have finished. After reviewing, correct your answer and go back to the Text Book for any topic you are having a trouble with. Try the same question again a week or 4, 5 days later - you will be surprised to see, how much better you are getting. Doing the questions like this will really boost your confidence and pressure less worrying. If you have faithfully done your revision, you can pass this exam. There are a couple of points that need to keep in the mind: Read the entire question properly. Do not spend more than the required time on each question. If you are having problem with a question, leave it for a while and move to the next question. If you are having problem with a question, leave it for a while and move to the next question.
