There are many horror stories of people who spend more than \$ 1000 and do not get the card they loved. These are affordable card packages that could give you a good opportunity to obtain some only sis, if not spectacular, although the key here is to be regularly selected for missions and as an ally. That means not spending their gems in the unstressed packages that are thrown every week. In the same way, you must avoid reactivation packages unless the guaranteed card at level 2 can help one of its existing mallets (that is, it is the same affinity and benefit from the bonus of the L ider and/or the relic). Occasionally, you will see packages of legends and legends relic packages, which are worth it to some extent. With enough time and patience, you will find you accumulating an orderly sum of gems and a world of possibilities they expect. What should I use all these gems? It is very easy to meet many gems and begin to feel that you need to spend them on something. Where can I find more information? You can consult the Games Guide section in this forum to obtain more tips and tricks or publish in the general discussion section if you have a specific question. You can also find   ostile videos of those here: <https://www.youtube.com/channel/ucgf...us8yhhtjdedbqif> has a question for me, do not hesitate to send me a PM or find myself in line. of one or two, and that should be good for you if you are beginning to start in the game. What will find is a breakdown of each main package released during the course of an event. The most new players should avoid this package at all costs, for several reasons. What do you have for you when you buy these card packages? Remember that gems can be moved diagonally and are locked in place once they have coincided. However, there is a warning of this world. To start, Dark Slayers I 300 gems and comes with a host Slayer guaranteed with rarity of three stars stars best. The most rose and more expensive shape is simply buying them. That's all for the legendary: H    roes for now. That is enough for 1,500 gems, although it improves with the fourth and lasting card of card package. Once there, click on the "Ca da Rate Information" boton. The Honor XP Pack, which costs 350 honor, gives you 1 host, 1 catalyst, resistance and gold, which is fundamentally the same as you get with the premium package without having to waste 500 gems. You can move a gem permanently to finish a combo! There is a small trick that we did not realize until it was possible until a couple of levels. What is the benefit of joining a guild? What are those? Honor is a fifth type of currency (detriment of Gems, Gold, Mana and Stamina) that can be used to buy certain articles in the game. You want something that you can use for a while, having time to save more gems for the next deck. Think about what you want to achieve and if the deck you are thinking of buying you can meet those goals. The legends package will allow you to obtain a 2 -star legend card for 100 gems, which is a good way to acquire the 5 legends. I am not going to repeat the start guide created by N3, so this thread will not touch the game of the game or the like. And while it should not be a big problem for you to make those three -piece or most Characters, and other RPG -centered characteristics, such as joining a guild, competing against real -life people in PVP battles and packages that you can open to gain rare, unreasonable and legendary hosts. Check out the book by H    Roes if you are not exactly rich in gems, you can fish for letters from H    Roes, if you want to say so, killing the as usual. They may have some benefit for you later, or contain a card that can find    til, but should be avoided at all absolute For the time being. Something new and better is always arriving, so you don't feel that "you missed it." Divi    rrete and make friends. The healing type hosts have a heart of the heart in the front of their letter, as the monk called and the Healer of Sharhein. You can also buy a daily pass for \$ 6, which will give it 200 gems per day for 14 days. One of the things that keeps us new of us is the community and the people we play with.1. The average cost of a complete deck (with VIP guarantee) is 43,200 gems. Keep reading, since we have achieved it as our approach in this new legendary: Game of Heroes strategy. In the card store, you can buy card packages with your gems, which are the Premium currency of the game. It is used more frequently to buy keys during Commander and PVP events, but it can also be used to buy XP honor packages. So, although it stinks on a deck just to leave it unfinished, it is much worse to realize that you spent much more than what you should have done. It also has a 3.5% possibilities of each relic card obtained by the highly raised at any other level. Unfortunately, there is no concrete information about events packages without the developer. Regardless of whether you take my advice, you must always have an attack plan before buying something. Yes Trying to configure a huge chain, you can use this trick to move some essential gems. If a package says that you are guaranteed to get an outstanding card, be sure to discover The outstanding cards are due to the fact that it can be something more than the 4 cards that are adjacent to the required level. Ask many questions. However, if you can only make one of those options, the Daily Pass is the most economical, obtaining 5600 gems in 28 days for \$ 12. The second way of acquiring gems is simply playing the game. You can also gain gems participating in PVP, GVG, Bounty Hunter and weekly events, whose amount varies in function of how well you and your guild work. This is intended to demystify certain elements of the game and provide a certain level of guardianship for those who are overwhelmed or confused on what to do. 2. The next time, we will have another guide for you! Until then, if you have any other advice or tricks to share, give a comment below! Touch, Tap, Play are looking for experienced writers to produce guides for popular mobiles of Mobile and Nintendo Switch. No matter the composition of your team, you will always receive all kinds of gems of elements on the board. If this information is provided, this section will be updated. 10. Take a collectible card game with fantasy themes, trying on "Trazzle and Dragones", and will have a legendary combination, a the unique combination of G    Neros. He has launched Legendary Game of Heroes, an RPG game of fantasy for iOS and Android. The honor points are what will use XP honor packages. So, when you see DVA 1, developers refer to the hero pack launched on Tuesday. There are many reasons why you should join a guild in Legendary: Game of Heroes, and this is just one of them. Second, although it may not seem at the beginning, it may accumulate large amounts of gold as it participates in the events. Do not be afraid to ask before pressing the trigger. Do I really need to buy a deck every week? No, unless you want At the highest levels, week after week. This is not a complete list, so if you have free to add add The majority of the players would find it prohibitive. The most important thing, ask how far you are willing to arrive to complete the deck, especially if you are not obtaining a VIP deck. Third, if you really need additional resistance, you can acquire it in XP honor packages without having to waste precious gems. 2. You mentioned the xp honor packages. Think about whether the deck will be utility once the event ends, if it is in GVG, PVP or the type of alternative event. These packages are not worth gems, particularly for a newer player. You have learned the general advice, now here is how you can add to your card collection. These skills of these hosts cure you for a certain percentage multiplied by their generally high recovery rate. However, you may want to try the two most mentioned before, once they are in an advanced stage. Keep in mind that you do not have to buy all cards and events of events: There are some that have no value and are not worth it. The starter package costs 1,500 gems, and although that is five times the cost of dark murderers and three times the cost of premium Hero silver, will get much more: four hosts guaranteed in three stars or better Four -star lunia abomination, more 20 xp potions, 100 resistance and 50,000 gold. First, the letter of H    Roe, which is the most important aspect of the pack, is very likely that it will be obsolete and in tile in the construction of a quality deck. When using these world, you should not expect any H    Roe with a rarity of three stars. As a general rule, it must be kept away from rewards packages, PVP relic packages, GVG packages and random buff/debuff packages. The hope is that this becomes a sticky on the general discussion board and on the board of games. Just remember that there will always be something better in the future. 3. Contains (1) H      Roe of 3+ stars, (1) several catalyst, 50,000 gold, 50 resistance. You can acquire them in several ways. \$ 1 = 100 gems, gems, \$ 100 obtaining 12,500 gems if you buy the 25%bond package. This is especially true in Commander events where there are many stages to clean. A red castle is amphitri n of many elementary fire letters, for example. It will obtain ten hosts with rarity of three stars or better, and a host with a rarity of four stars or better. That is like the aforementioned premium Hero Pack Times eleven, although it will cost him ten times, at 5,000 gems. This last thing is something about what you have more control because you can select your profile card. You will receive Honor for each friend who adds, eventually limiting 100 friends. It is guaranteed that these packages will come with a three -star rar. Or you can buy card packages with gems, which we will discuss in the following board. It is good to have two or three letters of the advantageous elementary type, but not more than that. That means that any H    Roe that you get in this way are symptoms in the best case, even when they are completely evolved. You also get other free things such as gold, resistance or xp potions. Both packages will allow you to slowly accumulate your list with time and require a minimum investment of gems, the majority of which it wins again to play and participate in the real event. Any enemy defeated in the battle works as letters in its own way, so you can move forward and use them. You can also consult the book of H    Roes to obtain information about the level where you can find a specific H    Roe that you want to collect. The events extend from 8 pm from mi    roles at 8 pm on Monday (in the United States), but at Tuesday they start on Tuesday with the launch of the Dia 1 event package and the Board of Directors. The Premium Hero Pack Silver costs 500 gems, and comes with a host stars or better, and three bonus cards that can be catalysts. D  2 refers to the H      roe package published by the Rcoles and D  3 refers to the relic relic Launched on Thursday. In terms of real probabilities: Day 1 pack: the highlighted hosta card is guaranteed at level 6 and level 7 Step 4. Similarly, Legend Relic Pack will give about 3+ stars of stars and 2 glass fragments for 100 gems in total (after a reimbursement of 300 gems at level 2), which is one of the best ways to spend 100 gems. Examine the joint carefully and determine that you can configure combos. While it is possible that you have the temptation to bring a team full of water hosts, it is generally better to stick to a diverse group. Place your movements! There is no time of time when it is your turn, so you don't feel hastily to match the gems. That is the equivalent of \$ 432. You get 100 honor points every time you accept a new friend, and once a friend chooses your card, you get 30 honor points. The first is something that you don't have much control because it is simply random: His friends and guild members will eventually select his card for elimination process and send him to a mission, which will give him an honor. If the younger games are your passion and want to be paid to create guides, you are in the right place. I will me and combine colored gems in a typical fashion of the puzzle game and lead a fearsome fighters team! It is a fairly addictive game, and we are here to help you start with our legendary guide of tricks, advice and tricks. Because many players are investing real money, they will not hesitate to tell him if a certain deck is worth it or if he should avoid it at all costs. That cost can increase or decrease depending on your fate and how many relics believe they are necessary to "complete" the deck (us    2 in that example). Actually, there are only a few things that a new player should buy: level 2 of the package and level 2 of the package of The Slayers are H    roes who specialize in distributing the chiefs of raids. You also have a 26% possibilities for each Card to obtain the outstanding host and a 6.5% probability for each letter from H    Roe taken from obtaining the UR (Ultra Roe) at any of the other levels. 7 Step 4. Continue in which you are willing to spend if you are increasingly unfortunate with the pulls. While you can trust only the heart gems most of the time, having a backup healer can sometimes mean the difference between life and death. Now, if you have tons of gems and are willing to go big to improve your big collection, you want to buy the Gold Premium Hero X11 pack. It will receive 50 gems every time you increase its range, with bonuses in certain milestones, and receive gems to obtain three stars in the stages of the campaign. Is there anything else to know? Configure your defenders for the war war (also known as Guild vs Guild, GVG) as soon as possible. Do not buy gold or resistance. There is nothing wrong with being a patient. Now, can you do with these honor points? There is also an unique offer that will give you 10,000 gems for \$ 20, something that I recommend that you think that this is a game with which you plan to stay. They also convert certain gems into gems of the heart, which can help him recover in case of a severe blow. N3TWork Inc. In this case, a good deck would be three hours of the water, a fire of fire, a dark roe and a light host. It will get 30 honor points every time a player chooses one of his cards as his Ally card. So, how can you obtain more letters of H    roes, regardless of rarity but preferably those that are rare or better? Both are a waste of gems. Do not return to dust any card until you need it or until it has evolved to 5 stars and no longer has the need for it. Pay attention to how the packages are described and written. If that is not Of course, enter the pantalla of selectu n del mazro show the title of the element element next to him. Consider if the deck is one that could synergize well with future letters, which increases more than its usefulness. You have a 10% possibilities, by level, to obtain an outstanding host card at any of the other levels. The event deck gives you the best opportunity to ascend in the classification, but many players compete without buying the event deck during a particular week. However, do not let the large number of more and more spectacular three stars are discouraged, since the operational word is miserable! They could be five or six stars. As for the card packages, this is as good as it seems, so that it will save for this if you are closing in 5,000 gems. Try this world to obtain honor points, you can obtain honor points, even if you do not join a guild, although this would also require some participation in the social element of the game. DAY 2 Package: The outstanding hosta card is guaranteed at level 2 and level 6. You can find information of Rudimentary Ca da rate for event packages playing the? We have already shared some tips and tricks for Legendary: Game of Heroes, a new marvel Hybrid RPG. 4. Once the range of Player 8 hits, that is when you should start buying an active guild, although you may want to join one that does not have too many members in total, since that will increase your possibilities of that being chosen as an ally or as part of the Ball. This is the letter that will participate in the battles of other players, so it is important that you choose their best/most    til 1. If a non -friend uses your As an ally, you get 10 honor: If a friend or guild member does it, you get 30 honor. What are the gems and how do I get them? Gems are the main legendary currency, which makes them extremely extremely and something that should not be used lightly. Remember: their gems are valuable and have a cost of the real world associated with them. Awakeningdon't awaken tarde! Unless, they are an ultra rare support card (UR) carda nuke nuke card (for example, Tyra, Domi, Askoka, Pachyceph) that you have three or more than only after complying with a necessary slot in A team and only if they have 6 11. You can add random players from everyone as friends in the game, and once you have added some people, you can choose their cards at a given time. Do not use too many more than the same element! When venturing into a level of campaign, you can have an idea of which you will face the color of the map. Winning all the stars in a Ball of Camp       gives you a good reward of gems. What type of card packages can you buy with your gems? When you have started a chain and your time meter is counted down, move a gem to a non -coincident position will result in the chain ended prematurely. However, that gem that moved will remain in place instead of returning to its original location as usual. We all have new once and we will have all done some things differently when we start if we kill what we know now. Take your time and plan your purchases. If you stack too many hosts of the same type, you will not have many attack opportunities, unless luck is on your side. Look our job announcement today! In the light of some of the concerns expressed by our newer players, I decided to develop a thread with some tips and precautions. You can also buy a guild gift package for 3000 honor, but it is generally worth the honor, since it only gives it more resistance and gold, in addition to a gift to send a member member. So, how do I get this honor? Honor can be acquired in some ways. The objective of many players is to acquire a good/large deck in each affinity over time, with the ultimate goal of acquiring a good/large deck Each affinity for Commander and Slayer events. It will also obtain honor points if they choose it for artisanal potions, curate of rewards or any of the other timed missions. missions.
