It turned former Wil Tower Mall from actor Willie Revillame into Quezon City in a source construction and mobile store. Shopping revillame º s near the applicants of a television station is now called Vista Place. It was transformed into a four-story all home shop, Villarà º s 11 branch of your own brand of a store warehouse that targets both builders and buyers. À º This is only a small store of 5,000 square meters (in gross area) or just half the normal store of 10,000 square meters. But if this ends well, we can expand this even more because they also have the adjacent lot, one said Manuel B. Villar Jr., president of the quoted land view and Lifescapes Inc. Villar bought the mall, which already had a few Atquillines, from the actor at a time in Revillame was facing several problems, including his alleged financial difficulties and his television program was about to be turned off. The BranchÀ º All Home Building for contractors, architects and designers º Inside maintained the luxury sensation of the old commercial center as it targets the middle-class residential and commercial communities in the area. I was inspired by Thailand homepro. They are also our partner in Starmall. They own homepro that is the largest of your type in Thailand. They have 60 or 70 [stores]. They inspired me; He taught us how to do it and we learn quickly, said a Villar. Villar That this all home will have about 13 affiliates until the end of February of the next year, and will end 2016 with about 20 stores. À º We have identified the eight stores [new all pages] in the next year and we will only implement. During the Years, there will be a sixth of six to eight branches of the whole house that will open in the country, which can include those in Visayas and Mindanao À º º said Villar. The meter cost of each store It is between P400 Million for P500 Million, which included the inventory cost of about P200 million, depending on the size of the store. Everything at home has a size of 7,000 square meters for more than 10,000 m². The stores They can be expanded until 12,000 meters. Villar said there was an economy boom in the country in the last five years, since many home owners and construction companies are updating their installations. The stores are still under all Values Holdings Corp. and is currently a separate entity from Earth Vista. Other branches of the whole house include one in Talisay, Cebu; Starmall San Jose del Monte in Bulacan; Paseo de Andalusia in San Fernando, Pampanga; Starmall Alabang, Muntinlupa; an independent store in Taguig, Star Plaza Agro in Muntinlupa; and Molino Cavite. Willie revoked, one of the celebrities who were already loved by the public, also were examined because of the many controversy that he was involved. Truly, his career has his ups and downs who made more convincing and exciting. To be part of the three main TV networks of the UWOWOWEE PAANS in ABS-CBN (2005-2010); Wowowillie on TV5 (January to October 2013); and wowogin in GMA 7 (May 2015 À º º "present) À º º " that became a success and being supported by Willie Revillame fans and Fans of the own show.Willie used Being a barker for Jeepneys and later became an experienced drummer. Before, he basically lived his hand for the existence of his mouth, but he worked hard and was able to adapt as one of the most rich talents in Showbiz. Now a TV producer, he lives life, life that you thought only can watch in telenovelas and movies. He was very transparent with his extravagant lifestyle and he does not feel much for it. He said that it is a way to enjoy the fruits of his work with a clear conscience, knowing that he has not won the way corrupt policists siphos government funds for his personal benefits. A man with forecast, Willie invested his money earned hard buying primordial properties when he was still on ABS CBN, where he mainly got his fortune. After the purchase of the properties, he already had a clear vision about how he wanted to use it. The first properties we are talking about are the three plots of land located in the city of Quezon, specifically found in front of ABS CBN compound. He said that Freddie Garcia, his head of Freak in ABS CBN, had one of the parcels of the land he bought. He acquired Earth for the price of 47 million weights in 2006. In the following years, he also was able to buy the other two plots of land for the same amount that previously paid for the first installment which is 47 million Weights (for each portion). Approximately 5,000 square meters is the total measurement of three combined lots, where the Wil Tower is located. Willie made a partnership with the former Senator Manny Villar, who is also a developer of properties and together, they built a commercial-residential tower. Senator Manny is an Eve Revillame Show Supporter, which in return, Willie also supported him during his presidential race of 2010, but unfortunately he lost his bid. One of the agreements between the land seen from Senator Vista and Willie is that, revillame will catch the three first floors tower. He also stipulated that he will be receiving the commercial area of the proposed twin tower.non 2013, the construction of Tower One One Finished and then, Willie channeled her impulse in the construction of a four-story commercial space that is now called Wil Tower Mall. It is now where he holds his office and also where he opened two of his business, Wil Beke Town Restaurant, respectively.Kenneth Cobonpue, an internationally recognized industrial designer, was the one who made the furniture of Wil Tower Mall. He officially opened on September 15, 2013 last, but after two years, Villars took the mall operations when they bought it back from Willie as he said, running a mall is not his central competence. Revillame ventured to improve the three first floors he possesses where he is told that a helipot can be found on the highest floor, since he is a helicopter's owner (in addition to owning a private airplane with A capacity of 34 seats and a 94-feet yacht). Initially, the 42nd floor of the Property was considered the abode of Kuya Wil because practically, it is not far from where he works. Another property belongs to Willie, was the one he has already acquired for 80 m weights of the great boss of ABS, Gabby Lopez. He was also receiving proposals from buyers, IDE to this property that led him to want to build a new home . But eventually, Willie decided to make the 42nd floor as a luxury location of more than 170 pax, complete with meeting rooms as well as a private room. A place that can attend a party from a list equipped with elegant elite mobile pieces.
