The swords are one of the four ways to fight in the game, the other three ways in melee, blox fruit and guns. Swords can be obtained from bosses, sword sellers, legendary sword sellers, NPCS or Robux Note: Swords cannot damage Chop users, this includes head, bobby or buggy in the anime. Even by busy, you can't hit him. The ice sword and light sword can damage it if they are technically fruit attacks. These weapons are common swords sold for B \$ 1,000 to Pirates Starter Island and Marines Starter Island Note: Both the woodcutter and the Katana have the same movement. [Z] Mastery 1: [Quiet Rush] The user crosses and attacks enemies on their way, as if they were teleported. [X] Mastery 20: [Slash Air] Cut the air, releasing a blue light bar that hits all the enemies in his way and breaks them down. A common weapon sold for B \$ 12,000 at the Pirate Village. [Z] Mastery 1: [WhirlWind] Average remote, cone-shaped connection for the knockback. [X] Mastery 30: [Tornado] An inverted cone attack that inflicts damage to all the enemies of its radius. Iron Mace In-Game A non-common weapon sold for B \$ 25,000 at the Pirate Village. [Z] Mastery 1: [Mace Smash] destroys the ground by hitting nearby enemies. [X] Mastery 30: [Killer Combo] cuts the multiple air to negotiate enemy damage. As the saw of the shark looks into the game a uncommon weapon obtained by defeating the saw. After beating, he has a 10% probability of falling. [Z] Mastery 10: [Consecutive Slashes] The user cuts to the right of them, hitting the enemies more while stunning them. [X] Mastery 60: [Execution] The user turns and cuts around them for a period of time while moving towards the mouse. Triple Katana A uncommon sword sold for B \$ 60,000 Atsnow Island. [Z] Mastery 20: [Air Slashes Barrage] The user cuts the air that releases 4 cuts. [X] Mastery 60: [Violent Rush] Charging towards an opponent. In-game pipe A rare weapon sold for B \$ 100,000 at the island of snow. [Z] Mastery 1: [Rage Combo] The user crowds towards the mouse pointer and attacks several times. [X] Mastery 50: [Terra Smash] The user destroys the land that launches your enemy in the air and damaging the damage. Warden Sword In-game A rare weapon, obtained by defeating the guard chief. [Z] Mastery 35: [Multi-Target Slash] The user cuts the soil that causes the blue waves to go out, attacking more time closer times. [X] Mastery 80: [Tornado Wave] The user shoots a tornado towards their mouse pointer. A rare weapon sold for B \$ 400,000 to Sky Island. [Z] Mastery 20: [Assassin] The user rushes ahead during the spinning, cutting everything into their path. [X] Mastery 100: [raging wind] The user throws three little tornado in front of that then, harmful and that they don't touch everything they touch. Anima cane A rare sword sold in a secret seller in the volcano side for B \$ 750,000. Note: It is easier to find the entrance hidden with the Mobile option [Z] Mastery 40: [Anima Beam] The user shoots a very small-high-speed ball to the mouse pointer with a very short range of action. This move stuns for 2-3 seconds. [X] Mastery 120: [Soul Slashes] The user cuts with high quantities of damage wherever they are at their cursor. A legendary weapon sold for B \$ 1,200,000 to Sky Island. It can be transformed into V2 by defeating the Greybeard / Whitebear Raid boss. [Z] MASTERY 50: [INTERNUTOR INTERNUTOR] Throws three cut the cut of the wind and break down the enemies. - V2: Create 3 mini-sphere that launches in the cursor direction. [X] Mastery 150: [Quake Sphere] Shoot a ball that damages all the enemies inside. - V2: Create a giant ball that quickly damages someone inside the sphere. It becomes slightly bigger over time and explodes at the last shot with greater damage. You can get macinco v2 Greybeard (Boss RAID) A rare weapon obtained by defeating the Lord of the fisherman. [Z] Mastery 50: [Trident hook] allows you to hook to people, walls and buildings with a wide range. [X] Mastery 125: [Pulse of water] Allows you to hurt nearby But it has a short distance. Pole (first form) A legendary weapon obtained by defeating the God of thunder. [Z] Mastery 80: [Explosive Cloud] Shoot a cloud that explodes after a few seconds. [X] Mastery 180: [Rain lightning] It rains 3 lightning bolts in which the mouse is pointed. Yoru Dark Blade (Yoru) (belongs to Dracule Mihawk) a mythical level weapon. This sword is purchased for the 1200 Robux. If you kill the head of Mihawk, an administrator named Rip, Indra you can get it for free. Or never because it will never be online. (Its level is 10000). RIP, INDRA Imports a much stronger version than the original Yoru. The normal Yoru can be updated in V2. [Z] Mastery 1: [A thousand slices] makes many slices in front of you. - V2: Makes more slices in front of you with more damage more the bars are sent further. -V2 (if kept): the same but rushes with the bar. - [x] Mastery 50: [Dark Air Slash] launches a vertical green bar that hits the enemies back. - V2: launches a larger V1 bar that affects enemies. -V2 (if kept): still the same, but sends the fastest bar, travel further and breaks ken.you guys should take it because it is so op. Saber a legendary weapon obtained doing research and defeating the stems / saber experts. It can be updated to Saber V2. Connect the video to get Sabre by Axiore. [Z] Mastery 50: [Deadly Rush] The players charged and cut to the opponent. -V2: The normal mortal rush of Saber V1 is combined with the Saber V1 triple slash. Funny: If you aim to move your V2 Saber the Z move the "dead dead" perfectly, it will be the most harmful move of all the legendary swords in play. Far away from the enemy, more damage deals. [X] Mastery 125: [Triple Slash] Player Strozzo 3 red slash to the opponent. - V2: The player launches a large bar looks like a dragon on the cursor (longest range and larger hitbox, lightly increases DMG). These three can be obtained from the Seller of Legendary Swords for B \$ 2,000,000 each. Saddi The swords handle is red and stripped white. The bars are golden. [Z] Mastery 150: [Swords dance] The user runs around while surrounded by x) for two seconds and damages everyone in the range. [X] Mastery 300: [True Air Slash] Send a golden boat like Saber V2 X but stronger with a smashed hitbox (closer width and less height). Saber V2S X Move makes any damage when all 3 sizes affect. Shisui The sword case is black with pink symbols on it. His SLA Shes have VFX pink and purple similar to Saddi, when Buso Haki is activated it will become surrounded by black "beams". [Z] Mastery 150: [True Tranquillum Rush] The user rushes forward in a quick cut that can cut more enemies. It can also be used for the trip, I guess. [X] Mastery 300: [Focus Shot] The user sends a purple radius of light, inflicting the knockback on the enemy but is a bit like a beak move. Wando this is the most thick of the three legendary swords. The sword handle is white with 3 golden strips. [Z] Mastery 150: [Continuous Slash] The user cuts a burst of bars in front of them. You can keep it for a longer life. [X] Mastery 300: [Scatter Shot] The user sends the cups like Bisamento V2 Z. True Triple Katana This sword combines all the three legendary swords in one, for the user to use as a 3 sword style. Can be purchased at the top of the green area for B \$ 2,000,000. You need all the 3 legendary swords from the legendary sword seller at 300 mastery or higher. The swords seem to have the armament of Zoro Haki on them, shown with purple rings (this is if you don't have a color by Busos Haki, if you have a color of Buso Haki, the sword rings change that color for color what do you have). [Z] Mastery 150: [Wolf Fang Rush] The user is held forward in the enemy before cutting some To make a good quantity of damages. [X] Mastery 350: [Dragon Hurricane] The user convokes a great hurricane to their cursor, cursor, it strikes several times and sends the target flying upwards. A rare sword obtained by defeating the diamond. It has 2 moves. [Z] Mastery 100: [Annihilate] The user makes a shockwave around them with cups. Note: that the Slashes model used in this move is similar to the bar blades of the Dark Blade blade. [X] Mastery 200: [Glorious smash] The user sticks a little and makes a shockwave attack with a Ken pause. Gravity cane a rare sword obtained by defeating Fujita. It has 2 moves. [Z] Mastery 125: [Push Gravity] The user pushes the gravity upward to do damage for opponents. [X] Mastery 250: [Meteor Barrage] The user makes a gust of meteors. Like the ability of a gravity fruit but a very small version. Jitte a rare sword obtained by defeating the admiral smoke. It has 2 moves. [Z] Mastery 150: [Smoke Barrage] The user sends a line of smoke and blind their opponent for 3 seconds. [X] Mastery 300: [Smoke appearance] The user becomes smoke and rushes to where their cursor is, pulling anyone else. It makes an Aoe damage and even the enemies of the blind for a few seconds. Koko Blade a legendary sword obtained by defeating the order a.k.a Law. It has 2 moves. [Z] Mastery 150: [Electric Stab] The user addresses the opponent with electricity trails and sends them into the air. [X] Mastery 325: [Injection Stab] The user makes a crosshair and shoots a mid-range electric throw, both moves can hit more people but makes less damage. Midnight Blade A legendary sword obtained by purchasing it for 100 ectoplasm from El Admin [Z] Mastery 150 [Opening of the portal] This move is the same move that the Cursed Captain used, opens a blue portal in front of you who suck your enemy slightly and pushes them away similar to dark spiral dark move. This move makes medical damage. [X] Mastery 325 [Crescent Dash] This is the other movement of the Cursed Captain Boss Boss USA, launches you forward to your enemy, similar to the first move of Sabor. This move makes medium high damage and launches your far enemy, just like the portal opening move. Rengoku Sword This is a new sword added to the 13 update. To get this sword, you have to get the hidden key that can be obtained by killing NPC or admiral of ice awakened in the new island, the castle of ice. Then use it to open the chest in a secret door on the right side of the stairs inside the castle's main room. When you unlock the sword, show "you found ... a secret sword?!" And you will earn the title "Samurai". The Rengoku Sword has 2 skills: [Z]: Demon Slayer (150 mastery) The user holds up to the opponent and cuts several times (a bargain 10+ times of DMG). [X]: Burning Slash (350 mastery) The user sends a flaming bar, leaves a burning effect that damaged what touches it. Pole V2 is a new sword added in the update 14, it can be obtained awakening all rumble moves, obtaining 180 mastery on the pole, completing 1 other (rumble) RAID and you will be teleported to Enel that you buy it for 5000 fragments. Requirements: All 5 moves awakened on Rumble and 180 mastery on Pole 1st Form. [Z] Hand of God (150 mastery) A shot of singular lightning with decent range, damage and AOE. Usually used in the combo with x [x] electric jail (350 mastery) a small electric bomb that stuns enemies, opening the way for good combo. Usually followed with Z Dragon Trident Dragon Trident is a new sword added in the update 14. It can be released by the Boss Tide Keeper (LVL.1475) (about 10% of fall) and has 2 skills: [Z] Mare Dragon Fury (150 mastery) A straight line is launched that has a dragon's head, giving good AoE damage. [X] Dragon Prison water (350 mastery) The user launches various dragon heads that form a circle stunning and damages the target. objective.
